Leah Treat, Director  
PBOT  
1120 SW 5<sup>th</sup> Avenue  
Portland, OR 97204

Dear Director Treat

We regret that PBOT has not seen fit to include SW Portland in the Sunday Parkways celebrations for 2016.

We feel it is important that all sectors of the City have an opportunity to participate in these community building events. While we understand and daily face the hurdles of living in a section of the city that presents difficulties in being able to get around, Sunday Parkways helps to show the rest of the city the large lack of transportation infrastructure in SW Portland and the challenges that lack presents.

We seek to have a SW Sunday Parkways in 2017. We are willing to work with your staff in planning the event in SW Portland, and are willing to once again organize volunteers to help stage the event.

We look forward to working with your staff in making this happen in 2017.
